Broads Circle is all about MONEY and POWER for Women

POWER = Revenue + Capital

Our mission is to connect senior-level business women in a meaningful way. We believe that successful, impactful, powerful people have strong networks. They draw on these networks in driving revenue and growing capital for themselves and their companies. Our events provide opportunities for exceptional women in Los Angeles to meet and create high quality money and power connections.

Broads Circle events are open to the general public in order to enhance networking opportunities for our members – you do not have to be a member to attend. Our featured speakers are dynamic, C-level leaders in their industries. Our event attendees are senior-level executives across all industries located in or near the Los Angeles area. Visit us online at www.BroadsCircle.com to learn more.
